Dear Sir:

Concerning our conversation in your office last week, we are enclosing the application for Tropical Sun Co., IW #2561, to have it voided, in that it is a fictitious sales name, with the American Cushion Co. being the legal entity. This application is in your office under IW #2058.

In that our percentage of the chemical analyses is favorable, we request your reconsideration of the need for #13, on your correction list. If that is voided, it will leave only the receptor, and the rinsing, that you mentioned.

We will wait to call someone in for this work until we hear back from you about #13.

Very truly yours,

Anthony R. Hatcher
